YOU AND YOUR FRIENDS ARE CORDIALLY INVITED TO ATTEND

THE FIRST POSTWAR EXHIBITION OF FINE PRINTING AT THE

LAKESIDE PRESS GALLERIES A SHOWING OF THE WORK OF

WILLIAM A. KITTREDGE

1947 Corporate Annual Reports

Printed by Donnelley's Win

FOUR* BRONZE TROPHIES

And Ten Highest Merit Awards in the *Financial World's* Annual Competition

*For the Report of The International Harvester Company, another Bronze Trophy winner, the cover only was printed here by Sheet Fed Gravure.

THIS RECORD IS UNIQUE, we believe, among printers whose work is represented among the 1947 Reports submitted for judging this year. The result reflects the wide recognition among corporation officers that an excellent Report deserves all that quality printing can do for it—and that a Report so well-designed and printed that it impresses the contest judges will also impress the stockholders for whom it is primarily prepared. Not to mention employees, customers, and others who may see it.

Backing our great interest here in quality printing are the staff, the experience, and the mechanical facilities that good work requires. Printing, as we do, by practically all the commercially important methods—including Letterpress, DEEPTONE Offset, and Sheet Fed Gravure—we offer advantages not available where resources are more limited.

You are cordially invited to consult with us regarding any printing that you may require on Annual Reports, printing required in connection with the issuance of securities, or any other work of a financial nature. No obligation, of course.
